**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in SF and was paying for years for slow internet and cable that I did not want. A local competitor introduced fiber with speeds 10 times as fast, no cable and at nearly half the price!

Because they care about their customers, unlike giant corporations, service requests for any problems have been prompt and the technicians who came were also far better than what we had earlier.

Let's keep competition in Telecom!
